BOYS & GIRLS CLUB
OF OSHKOSH

it just takes | one.

... to help break the cycle of poverty
... to teach a child to lead, not follow
... to improve the life of a child
or family

At the Boys & Girls Club, "basic" needs have never been so basic. This year, our Club must raise over \$315,000 for basic operating expenses, so we can continue to provide our members with quality programming, childcare, healthy meals and snacks, member scholarships and much more. With your gift, we can also help our members by assuring they are dressed for the season, taught proper hygiene skills and receive the basic health and dental care needed.

We respectfully request that you consider an investment that will make a difference in the lives of children in our community.

Even in these challenging times, we must continue to invest in our future.

Sincerely yours,

Marc Dosogne
