it just takes | one.

Now more than ever, we need your support, to help break the cycle of poverty for hundreds of children in our community.

This year, our Club must raise over \$280,000 in order to improve the lives of children and families, especially for the ones who need us most.

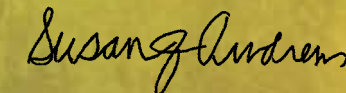

We respectfully request that you consider an investment that will make a difference in the lives of children in our community.

Even in these challenging times, we must continue to invest in our future.

Sincerely yours,
